Dear Freyja Knapp,

**Thank you for attending the White Mesa Mill Open House!**

We very much appreciate you taking the time and making the effort to attend the White Mesa Mill Open House. I hope that you found the event to be both interesting and informative.

For all the reasons discussed during the event, we believe that continued operation of the mill is important not only to Energy Fuels and the local economy but the national interest as well. Your informed support for the multiple services that we provide at the mill should enable us to operate for another 37 years, or longer!

Again, thank you for your interest and attending the WMM Open House. If you have any questions or would like to schedule another visit, please don't hesitate to contact Mark Chalmers President & COO or Curtis Moore VP Marketing & Corporate Development.
